Mr. Garrett A. Hughes  
Bartol Research Foundation  
Swarthmore, Penna.

Dear Mr. Hughes:

I am pleased to inform you that you are hereby appointed to the staff of the Bartol Research Foundation as Junior Physicist commencing July 19, 1965, with a salary at the annual rate of \$6,000.

Within several months after the orientation session which is conducted by the Office of Antarctic Programs of the National Science Foundation, you will depart for Antarctica to take charge of one of the cosmic ray field stations as Field Observer. In this capacity, your base salary will be at the rate of \$7,200 per annum, commencing on the date of your departure. Furthermore, in accordance with customary policy, a bonus of 25% will be added during the period of your Antarctic tour of duty. This appointment will remain in effect until your return to Swarthmore following the termination of a one year tour of duty at Antarctica. It is understood that you will train your replacement at the field station prior to departure from Antarctica.

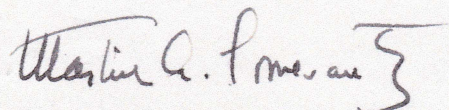

Full-time members of the scientific staff of the Bartol Research Foundation receive vacation at the rate of four weeks per year. In addition, there are seven official holidays.

This appointment is contingent upon approval of the U. S. Navy Bureau of Medicine and Surgery and the U. S. Antarctic Research Program.

We are glad to have you join our group, and I wish you every success in this undertaking.

For purposes of the record, please acknowledge this letter in writing.

Sincerely,
